

# The PE and Sports Premium Reporting for 2023-24

## Sports at Bishop Ellis Catholic Voluntary Academy

At Bishop Ellis, we really value sport and our aim is to get every child active. The children are given opportunities to engage in quality first teaching in curriculum PE sessions; competitions within school and where possible, external competitions and opportunities to complete personal best challenges.

Every year, the school enters several inter-school sport competitions including football, athletics, basketball and cross country for girls and boys.

Every class has two PE lessons per week and we ensure the PE curriculum is fully covered ensuring progress across the years. Children in Year 3 and 4 have swimming lessons over the year and the school employs a qualified swimming coach to run these sessions. Year 6 in the final term attend top-up swimming sessions to provide another opportunity to reach the end of KS2 standard as stated in the National Curriculum.

Our school playground provides opportunity for active lunchtimes and break times with our key stage appropriate trim trails and sporting equipment (table tennis table, netball posts and badminton nets) the children are encouraged and enjoy to use daily.

The children in Reception also have a very active learning environment due to their designated outdoor area. Therefore, the children have plenty of opportunities to be outdoors throughout the day, subject to good weather, engaging in active learning. This is in addition to their organised PE curriculum sessions twice a week.

Total amount of funding received: £18, 590

## Review of last year's spend and key achievements (2022/2023)

Activity/Action	Impact	Comments
Staff trained for active lunchtimes	Children are familiar with active zones at lunch times and are able to navigate the playground to easily access activities.	Next year we will look to support children with riding bikes safely through the Bikeability program.
Repurchase SSPAN membership	Continue to target all children in competitive sporting activities with a focus on girls next academic year.	Use the SSPAN membership to support the provision of these activities.
The PE curriculum will be repurchased for the next year.	Now staff have familiarised themselves and the curriculum has been organised to carefully to show good progression, it can be utilised fully next year.	Continue to use the grant to access the support and opportunities obtained from the SSPAN membership.
CPD sessions with Sports coach	Staff members can now use aspects seen and developed with the sports coach this year with their teaching moving forward.	
Sports coach to lead competitions in school at lunchtime	Children who may not have opportunity to attend external competitions still able to compete in school.	Continue to provide a league for children to experience friendly competition. Train more children to support leading of activities for younger pupils in school.

## Key achievements 2023-2024

Activity/Action	Impact	Comments
Re-purchase iMoves PE curriculum to support CPD for teachers during curriculum PE sessions.	Teachers are more confident in delivering PE lessons and cover a broad curriculum throughout the year that progresses from the previous year.	The curriculum will need to be looked at next year as the curriculum scheme has changed on the website to ensure progression from previous years. In addition, year groups have changed in school so to ensure a balanced and broad curriculum is accessible to all.
Subscribe to the SSPAN membership	Through our SSPAN membership children have had the opportunity to take part in sporting festivals, organised active programs outside of school and competitions. <ul style="list-style-type: none"> <li>- Table tennis festival</li> <li>- Active Travel to School Month</li> <li>- Wreake Valley Football league</li> <li>- Rice Bowl competition</li> <li>- Girl's Football competition</li> </ul>	School to repurchase the SSPAN membership to continue to allow for further opportunities to be active.
Staffing <ul style="list-style-type: none"> <li>- to promote daily activity during lunchtimes</li> <li>- to release staff to take pupils to competitions and sporting events</li> </ul>	Sport coach leads intra-school competitions during lunchtimes for different year groups allowing children the opportunity to take part in competitive sport. This allowed children to develop sporting values through friendly competition, opportunities to play different sports and all children to play no matter their ability. <p>Children have had the opportunity to attend competitions outside of school, like Quadkids. Cover was needed for PE lead/first aider to attend and staff the event.</p>	Continue to provide active lunch times and provide CPD where possible to staff to allow for opportunities engagement of activity during this time.

Purchasing of new sports kit and equipment	<p>Lunchtime staff lead sporting activities for children at lunchtime in different active zones, providing variety and an opportunity to be active.</p> <p>Children feel proud to represent the school with the new football kit. Staff lifeguard training	Trained staff can lifeguard for any swimming lesson across the school for future years.	

## Swimming Data

<u>Question</u>	<u>Stats:</u>	<u>Further context</u> <u>Relative to local challenges</u>
What percentage of your current Year 6 cohort can swim competently, confidently and proficiently over a distance of at least 25 metres?	48%	<i>An additional 24% of the cohort achieved 10 metres in the top-up swimming sessions provided at the end of the year (final week of 05/07/24)</i>
What percentage of your current Year 6 cohort can use a range of strokes effectively [for example, front crawl, backstroke, and breaststroke]?	60%	<i>Assessed during top-up funded sessions (final week of 05/07/24)</i>

What percentage of your current Year 6 cohort are able to perform safe self-rescue in different water-based situations?	72%	<i>All children in school including current cohort received a drowning prevention/water safety assembly led by 'Swim with Jo' and received a certificate of attendance (17<sup>th</sup> June 2024)</i>
If your schools swimming data is below national expectation, you can choose to use the Primary PE and sport premium to provide additional top-up sessions for those pupils that did not meet National Curriculum requirements after the completion of core lessons. Have you done this?	Yes	<i>Core lessons were not completed as our local pool had closed down/Covid 19 restrictions prohibited the running swimming sessions during this period for the current Year 6 cohort (Year 3/4)</i>
Have you provided CPD to improve the knowledge and confidence of staff to be able to teach swimming and water safety?	Yes	<i>Lifeguard safety training and assessment provided to the necessary staff attending sessions.</i>  <i>Staff members were present during drowning prevention/water safety assembly on the 17<sup>th</sup> June.</i>
