

# Science Club

Dear Parents and Carers,

I hope you have all had an enjoyable summer break.

Next term Science Club will be back with more fun and learning than ever and is now open to children in Years 1-6!

The interactive, educational sessions will give the children hands-on learning experience in curriculum supporting topics. This term sessions will cover topics including Light, Analytical Microscopy, and Electricity and Circuit Building. The sessions will take place directly after school on Fridays and finish at 4:15pm.

The session dates are as follows

- Friday 2<sup>nd</sup> May
- Friday 9<sup>th</sup> May
- Friday 16<sup>th</sup> May
- Friday 23<sup>rd</sup> May

Spaces are limited and will be allocated on a first come first served basis. The sessions cost £8.50 per week, totalling **£34.00 per child**.

If your child is interested in joining this club, please email [naomihoward92@gmail.com](mailto:naomihoward92@gmail.com)

Kind regards,

Naomi Howard
