

# The PE and Sports Premium Reporting for 2024-25

## Sports at Bishop Ellis Catholic Voluntary Academy

At Bishop Ellis, we really value sport and our aim is to get every child active. The children are given opportunities to engage in quality first teaching in curriculum PE sessions; competitions within school and where possible, external competitions and opportunities to complete personal best challenges.

Every year, the school enters several inter-school sport competitions including football, athletics, basketball and cross country for girls and boys.

Every class has two PE lessons per week and we ensure the PE curriculum is fully covered ensuring progress across the years. Children in Year 3 and 4 have swimming lessons over the year and the school employs a qualified swimming coach to run these sessions. Year 6 in the final term attend top-up swimming sessions to provide another opportunity to reach the end of KS2 standard as stated in the National Curriculum.

Our school playground provides opportunity for active lunchtimes and break times with our key stage appropriate trim trails and sporting equipment (table tennis table, netball posts and badminton nets) the children are encouraged and enjoy to use daily.

The children in Reception also have a very active learning environment due to their designated outdoor area. Therefore, the children have plenty of opportunities to be outdoors throughout the day, subject to good weather, engaging in active learning. This is in addition to their organised PE curriculum sessions twice a week.

Total amount of funding received: £18, 070

## Review of last year's spend and key achievements (2024/2025)
